

We can offer up to £1k 'get going' funding for your community-led housing group

Collaborative Housing Agile Fund

The Agile Fund is aimed at groups in the early stages of the community-led housing process. It is intended to cover the cost of things like:

- ✓ Community engagement costs (e.g. publicity materials, Zoom licence)
- ✓ Development of a website
- ✓ Legal advice on governance
- ✓ Incorporation costs
- ✓ Training
- ✓ Surveys etc.

How the Agile Fund works

Groups will need to identify what the money will be spent on as part of their application and Collaborative Housing will assess this on the following basis:

- ✔ The group has signed the terms and conditions of Collaborative Housing membership and is engaged with training and support offered as part of that membership.
- ✔ The group doesn't have funds from elsewhere to pay for the intended items.
- ✔ There is not an alternative funding route for the item/s required.
- ✔ The money will further the group's progress toward a viable community-led housing project.

Terms & conditions

- Funds will be offered on a first come first served basis.
- Monies that are granted will need to be spent by September 2021.
- Groups will be required to provide evidence of how the money has been spent through invoices or receipts.
- Where groups are not incorporated and do not have banking facilities Collaborative Housing can order item on the group's behalf.
